

# Year 3 Autumn Newsletter - Busy being brilliant!

Thursday 16th December, 2021

## We are the Kingdom of Time Travellers!

*Where has history taken us?*

<p><b><u>Exploring Louth's Local Library</u></b> During the Autumn term, Louth's brilliant Library was visited twice by all of the Year 3 children as part of our time travelling project. The children loved exploring a range of books from different authors, finding out about Ancient Egyptian and Greek gods. Thank you, Louth Library! Don't forget, Louth Library is open from Monday - Saturday and is free for children at LaceyField.</p>	<p><b><u>Christmas Fayre</u></b> LaceyField's first Christmas Fayre was a huge success. It was so lovely to see all of the children work together to create some fantastic, festive Christmas gifts. We'd love to see some pictures of your homemade Christmas decorations up on your trees and around your homes; remember to include our #Laceyfield on both twitter and Facebook!</p>	<p><b><u>Carols by Candlelight</u></b> Christmas officially started in Year 3 after our fun, festive Carols by Candlelight performance. All three classes pulled together to rehearse, learn and sing five fantastic carols to a warm, welcoming audience on the school playground. Thank you to all that attended the festive celebration - and for bringing your beautiful singing voices!</p>
<p><b><u>Greek Pots</u></b> Year 3 have tried their hardest to return home from school as messy as possible at times during this term! Whilst researching the history around Greek Pots, the Kingdom of Time Travellers designed and sculpted their very own pots using a range of different materials.</p>	<p><b><u>Mummification!</u></b> Look out, we have some scientists in town! The children loved being scientists for the day, exploring the process of mummification. The children planned, mummified and reviewed their tomato experiments as part of small teams. It's safe to say, they loved creating as much (smelly) mess as possible!</p>	<p><b><u>Mini Olympics</u></b> As part of exploring Ancient Greece, Year 3 took part in their very own Mini Olympics. The children competed in supportive, competitive teams and recorded their own results. The children then recorded their data using a range of statistical data representations as part of a small teams.</p>
<p><b><u>What's coming up?</u></b> Next term, Year 3 will be continuing</p>	<p><b><u>PE Days</u></b> A polite reminder to all children and</p>	<p><b><u>Attendance</u></b> Thank you for your brilliant</p>

to be time travellers, exploring the Stone Age era. We'd love you to visit the local library during the Christmas holidays to explore the fantastic books that are on offer about the prehistoric period of time. We'd love to read any loaned books during our class reading time - don't forget to bring them to school when we return on **January 5th**. Using #LaceyField, remember to tag us in any of your Christmas pictures of you reading your new library books!

families that our PE days are **Thursdays** and **Fridays**. Please can we kindly ask for all children to ensure they have their own PE kit in school at all times. Next term, we will focus on gymnastics and hockey.

- White or purple t-shirt (with or without logo)
- Black shorts or black jogging bottoms
- Black plimsolls or trainers

attendance this term. Attending school every day is paramount in ensuring your child can be the very best version of themselves. At LaceyField, we are always here to support you with your child's attendance. If you feel you need any extra support with attendance and punctuality, please contact our family support team.
