

Literacy

Our focus books this term are:

Maths

Building 9 and 10

This term we will be focusing on the numbers 9 and 10.

We will use the language of 'greater than, less than and equal to', to compare numbers within 10.

We will explore number bonds to 10 using real objects.

We will practice ordering numerals to 10.

We will begin to explore and create more complex patterns.

Communication and Language

We will become 'word collectors' and begin a journey to collect all types of words.

Physical development

In PE, we will be working on throwing and catching. We will learn how to throw a ball accurately and catch a ball effectively.

We will also continue to develop their fine motor skills. We will use various activities such as cutting, threading and ball gym to strengthen the muscles in our fingers and hands.

Understanding the World

We will be focusing on the topic 'growing'. We will be planting our own seeds and observing how they change. We will also learn about life cycles and look at the different stages of life for a living thing.
