

Summer Terms 1 & 2, 2022

Where Would Ratty and Mole Live?

As artists & designers, we will...

Learn how to use a sketching line and apply this to observational drawing.

Each week, as Active Pupils, we will...

Develop athletics skills in preparation for competition, Experience various striking and fielding games, to build on previous learning. We will also look forward to pop lacrosse and orienteering (OAA).

As writers, we will...

- Be studying various forms of poetry including: haikus, kennings and shape poems.
- Produce explanation texts about the water cycle and animal life cycles.
- Create newspaper reports about the Louth floodings.
- Write magazine reports and produce persuasive letters about animal habitats.

As readers we will:

- Discover linked fictional texts;
- Use literature to find out about significant geographical features
- Engage with visual sources of literature to further our learning
- Read and listen to classic stories.

As scientists we will study...

- Properties and Changing Materials
- Living Things and Their Habitats
- Forces
- Animals (including humans)

As mathematicians, we will learn...

- How to calculate fractions of quantities.
- How to use decimal numbers.
- How to round decimal numbers.
- How to convert between decimals, percentages and fractions.
- How to adding and subtract decimal numbers.
- How to multiply and divide decimal numbers by 10, 100 and 1000.
- How to calculate percentages.
- Properties of shape
- How to use quadrants
- How to find symmetry
- Reflection
- How to convert units: eg km/m/cm/mm

As Citizens, we will learn about...

Pupil Parliament
Rule of Law
The Power of Negotiation
Supporting The Community
Human Effect on Climate Change
Fuel and Resources

As British Citizens we will be promoting...

Democracy
Individual Liberty
Mutual Respect
Tolerance of those with different faiths.

We will enjoy local visits to::

Hubbard's Hills
Louth Library
Louth Canal
Louth Museum

As a modern foreign language, we will be introducing ourselves to:

French

In R.E, we will be learning about...

Sikhism and Christianity
