

Battle of the Ages

As artists, we will...

- Research design and create Roman Shields
- Use different mediums to create artistic interpretations of Hadrian's Wall.
- Use inspirations from history to recreate discovered artefacts
- Research and recreate Viking Runes

As writers, we will...

- Create an information text about life in the Roman Army
- Write in first person when we create a Roman diary entry
- Write a deceptive passage about the eruption of Vesuvius
- Compare characters in the story of Beowulf
- Create our own miniature books about Arthur's adventures

As active pupils, we will practise...

- Netball
- Rugby
- Hockey
- Gymnastics
- Outdoor Adventurous Activities
- Tennis

As mathematicians, we will...

- Look at the value of each digit and we study Place Value
- Use the four operations (add, subtract, multiply and divide) with 4 digit numbers
- Count squares and use rulers to find area and perimeter

As citizens, we will...

- Visit the local library to conduct research about Roman, Viking and Anglo-Saxon rule
- Investigate our local area, place names and features left behind by previous occupants
- Pass on our knowledge to family members by inviting them into school for an interactive workshop

As geographers, we will...

- Examine various natural disasters
- Use maps to assess the reach and power of the Roman Empire
- Locate countries on a map and compare them to borders from the past 3000 years
- Look at links between rivers and mountains
