

Diary of a Time Traveller - Where will history take us?

As Scientists we will...

Compare and group together different types of rocks on the basis of their appearance and physical properties.

Describe how fossils are formed.

Recognise that soils are made from rocks and organic matter.

As Writers, we will...

Use a range of expert vocabulary choices.

Organise information using subheadings and paragraphs

Create a non-chronological report for an information book.

Write narrative based in the Stone Age.

Use grammatical features such as conjunctions, prepositions, expanded noun phrases and fronted adverbials.

Our visit/visitors will be...

Louth Library

Our core texts are..

Diary Of A Time Traveller
Various information texts (books and online) about Rocks.

Stone Age Boy

As Artists, we will...

Draw cave pictures using a range of natural materials that would have been available to Stone Age people.

As Mathematicians, we will...

Calculate how long ago our three ancient civilisations happened.

As Historians, we will..

Find out about the changes in Britain from the Stone Age to the Iron Age.

Compare life in Britain during this time period with the other ancient civilisations that we have already studied (Egypt and Greece)

Use a timeline to compare when these civilisations occurred.

As Theologists and reflective bees, we will...

Look at families and consider how they can be similar and how they can be different.

Think about how people in a family care for one another and how they show that they care

Consider Hindu beliefs and investigate the celebration of Diwali and Brahman.

Explore Hindu art.

As Stone Age crafts people, we will...

Crete Stone Age jewellery, considering which materials would be the best to choose and how to effectively combine them.
